

4th Grade Homeroom

Welcome to...

**MRS. FAHDA'S 4TH & 5TH GRADE
ELA & SOCIAL STUDIES CLASS**

The Future So Bright

Assalamu Alaikum Dear Parents and Students,

Welcome to 4th & 5th grades! My name is Mrs. Fahda , and I am so excited to be the fourth and fifth grade ELA & Social Studies teacher this year. It is going to be a great one full of making new friends, new discoveries, and fun learning. I cannot wait to see all of you! I hope you are having a fun, safe, and relaxing summer break.

A little about myself: It is a pleasure for me to join the ANA family this year! I have taught fourth and fifth grades for three years and taught English and Social Studies for middle and high school students for the past seven years at an international school in Beirut, Lebanon. I have also been working for an online academy in Beijing, China for almost two years, teaching juniors and adults English as a foreign language. I believe that it is important that we—your child, you the parent, and I—work together as a team to help your children succeed.

The first day of school will be sooner than we think, so it might be helpful to start planning now. I am including a list of supplies you should consider bringing to class with you.

I would love to learn more about you! What is your favorite subject? Book? Movie? Activities? Please take sometime this summer to email or write me a note that best describes you!

I look forward to a fun year together filled with lots of exciting activities , challenges, learning and laughter.

Love,
Mrs. Fahda
