

## Al-Noor Academy 2021 - 22 PreK-2

Asslamu Alikum Dear respected Parents/ Guardians,

A very warm welcome to our PreK-2 class!

I hope all of you enjoyed a wonderful summer and you are looking forward to an exciting fall! My name is Heba Hasan and I'm the preschool lead teacher and PreK-2 teacher as well. I look forward to working with you and your child.

For this 2021-22 academic year, our first day of school is August 31st. As we embark on a new year, some of you may ask what the year will bring, so I've listed things below that parents most frequently ask of me, so I hope this helps. Also, please read the preschool hand book available on our school website; the handbook will help you understand how we run our preschool program. If you have questions anytime during the year, please do not hesitate to call me during school hours, or email me at [hhasan@alnooracademy.org](mailto:hhasan@alnooracademy.org)

### **Classroom rules**

I try to make the rules simple due to the developmental age of the children and possible language spoken at home other than English:

- Helping Hands
- Listening Ears
- Looking Eyes
- Quiet Voices
- Walking Feet

### **What if your child is sick?**

If your child is sick please keep him/ her at home. Small children catch germs very easily and illness can spread rapidly around the classroom. Please do not send your child to school with any of the following symptoms:

- Fever, Cough, Runny Nose,
- Rash, Diarrhea, Vomiting, Pink Eye

### **Food:**

For snacks and lunch, please bring healthy food only with plenty of fruits and vegetables. WE DO NOT ALLOW: candy, high-sugar content food, soda or energy-drink; please.

For your child's safety, please ensure food should be bite-size and do not present a choking hazard e.g. grapes should be cut into small pieces

Sorry, we do not have a microwave oven so please do not send food that will require heating; please consider using thermos if food need to be kept warm.

## Allergies

It's extremely important that you notify the teachers and the front office of any allergies or medical conditions your child suffers from. Some children may be allergic to certain foods, paints, insects, etc.

## Uniforms

Please visit [www.frenchtoast.com](http://www.frenchtoast.com) for school uniform; our **School Code is QS47CT8**  
Pre-Schoolers wear navy blue pants and navy blue polo shirts (with name of school on the front left). Children should wear uniform every day, including gym day. We will notify you soon as to which day will be gym day. Only Velcro or Zipper-sneakers; **NO LACES, please!**

## Newsletter:

I send home a weekly newsletter, it will contain updates and activities from our classroom and school.

## Show and tell

Kids always love to share toys with others. Show and Tell will always be on Friday. The name of the toy should begin with the letter children are learning that week. Children should not bring toys other days during the week as they cause too much distraction for other children and they may be lost or borrowed permanently.

Jazakum Allahu Khairan,  
Sr. Heba Hasan, PreK Lead Teacher
