

# Welcome to Kindergarten

**Hello!**

Assalam Alykum,

My name is **Souheir Al Mousa**. I am so excited to be your child's teacher for the 2021-2022 school year. This will be an exciting year filled with lots of new friends, adventures, and learning.

This will be my 20<sup>th</sup> year teaching and I love it! We will have such a great year together.

This year I will spend time encouraging positive social interactions among the students, helping them to become more independent during the school year, and nurturing a classroom of respectful and caring children. This will also be a year of tremendous academic growth. You will see your child blossom into an early reader and writer in addition to building many math skills. We will also explore several topics in science and social studies. I enjoy having fun in the classroom, but also know the importance of creating a structured and organized learning environment.

I hope that you will be able to attend our Kindergarten Orientation on Friday, September 3<sup>rd</sup> and I ask that you kindly send an email to me that I can create a class email list before school begins. In addition, I will be making up labels and tags for the students' notebooks, folders, etc. Please let me know the name your child prefers to go by.

This year, I will purchase the school supplies. Make sure to send in \$35 with your child so that we can cover the costs of the supplies.

## **Contact me**

Please feel free to contact me throughout the school year. I want to be your partner in supporting your child in any way. Email me at any time as well.

**Email – [smousa@alnooracademy.org](mailto:smousa@alnooracademy.org)**

**Sincerely,**

**Miss Souheir**
